

Sussex County Farmers Market at the Fairgrounds Safety Protocols in Effect for 2020 Season

- 1. Please do not shop today if you feel ill or have a temperature of 100.4 degrees or higher**
- 2. Social distancing measures in effect - please stay 6' apart from the next customer throughout the market**
- 3. Cloth face coverings or masks are required**
- 4. Please observe the entrance and exit doors and use accordingly**
- 5. Hand washing stations are available to our customers**
- 6. Customers will not be able to handle the product; we are happy to gather what you need and bag it; please do not bring your own bags into the market**
- 7. For your safety, and ours, market surfaces will be regularly cleaned and sanitized as per CDC guidelines**
